Jiulian Resources Inc.
Notes to the Interim Financial Statements
May 31, 2008

Note 1 NATURE AND CONTINUANCE OF OPERATIONS

The Corporation was incorporated on October 17, 2006 under the laws of British Columbia. It is a capital pool corporation as defined in the TSX Venture Exchange (the "Exchange") Policy 2.4, and accordingly, its principal purpose is to use its capital to investigate and acquire an asset or assets sufficient for the Corporation to meet the minimum listing requirements of the Exchange as a Tier 1 or Tier 2 issuer (referred to as a "Qualifying Transaction").

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles ("Canadian GAAP") on a going concern basis with the assumption that the Corporation will be able to realize its assets and discharge its liabilities in the normal course of business. These financial statements do not include any adjustments to the amounts and classification of assets and liabilities that might be necessary should the Corporation be unable to continue in business.

The Exchange may suspend from trading or delist the listed shares of the Corporation where the Corporation has not completed its Qualifying Transaction within twenty four months following the date of listing of the Corporation's shares on the Exchange. The Qualifying Transaction will be subject to regulatory approval and may be subject to shareholder approval.

Note 2 SIGNIFICANT ACCOUNTING POLICIES

Management in accordance with generally accepted accounting principles in Canada has prepared the financial statements of the Corporation. The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. The financial statements, in management's opinion, have been properly prepared using careful judgment with reasonable limits of materiality.

The interim financial statements have been prepared following the same accounting policies and methods of computation as the financial statements for the fiscal year ended February 29, 2008. These interim financial statements do not contain all disclosures required under general accepted accounting principles for annual financial statements and should therefore be read in conjunction with the financial statements and the notes for the year ended February 29, 2008.

Note 5 **RELATED PARTY TRANSACTION**

The Company received a loan from a director of the Company in the amount of \$10,078. The loan is unsecured, non-interest bearing and has no specific date of repayment. Accordingly the fair value cannot be determined.

Note 6 **SHARE CAPITAL**

a) **Authorized:**

Unlimited number of common shares without par value

b) **Common Shares Issued:**

As at May 31, 2008, the Corporation has issued total 9,320,000 common shares, there are 2,700,000 common shares were subscribed for by the Corporation's directors and allotted from treasury, to be held in escrow. The shares will be released from escrow upon issuance of a notice of final acceptance of a Qualifying Transaction by the Exchange. Such releases will either be over a period of 18 months or 3 years depending on the determination as to the Tier upon which the Corporation's shares are listed. While escrowed, the escrow shares may not be transferred, assigned or otherwise dealt with without the consent of the Exchange.

Mongolia, China. Tuoye is an exploration company registered in Hohhot City, Inner Mongolia, China, and is engaged in the exploration of mineral properties. It owns a 100% interest in the Sunite Property, consisting of five exploration permits and covering a total area of 198 km². Pursuant to the Initial Agreement but in variation thereof, the Corporation entered into an equity joint venture agreement with Tuoye on March 30, 2008, whereby the Corporation has the right to earn, prior to the triggering of a dilution provision, a minimum 85% equity interest in Tuoye in two stages. In stage I, the Corporation has the right to earn a 60% interest by investing \$3.96 million in exploration. The Corporation has the option in Stage II to earn an additional 25% interest in Tuoye. The transaction is subject to the establishment of Tuoye as a foreign controlled joint venture in China, and Exchange acceptance of the transaction.

The transaction is expected to constitute an arm's length resource "Qualifying Transaction" in accordance with the policies of the TSX Venture Exchange.
